

Professor Christopher Seaton, Spring 2024 Weekly Schedule  
 This schedule will be updated as my weekly schedule fills up.  
 Also available by appointment.

As a matter of fact, the whole point of posting this is to make it easy for you to make an appointment. The best way to do this is via e-mail. If you need to get in touch with quickly, call my office phone (which forwards to my cell): 901-843-3721.
